Alpha Omega Girls Lose In Monterey

MONTEREY, Nov. 26—The Monterey YWBA cagettes overtook a 12-6 half-time lead built up by the visiting Berkeley Alpha Omega beauties and triumphed by a 24-14 score in a game played in the MUHS gym Sunday. A scheduled Monterey YWBA-San Jose Purplettes fray was postponed.

Led by the sharpshooting work of Amy Kishii, the Eastbay lassies took the local gals to task during the first half. Miss Kishii singed the hemp for six points during that period, while Nobu Higashi cleared the hoop for four.

But it was a rejuvenated Monterey six that took the floor during the second half as Miyoko Enogida and Momoe Oyama came to life and peppered the basket for eight and five points respectively.

In the meanwhile, the Alpha Omega forwards, perhaps tired by their arduous work during the first half and the long trip by motor, were unable to work around the local guards. Then, too, the work of Anita Takigawa was outstanding the short while she was in and may account for the stiffened defense of the peninsula girls. At any rate, the Berkeleyans garnered only two points—by Miss Higashi during the entire second half. Doris Akiya was the other Omegan to score a field goal.

Besides Miss Takigawa, the Monterey guards who played commendably were Ruby Oda and Yasu Oyama. Fumiko Owashi and Mollie Tsubochi contributed four and two points, respectively.
